To Whom It May Concern:

I am writing this letter of recommendation in support of Carrie Wozniak for the Fraser School District Superintendent's position.

Carrie has built an outstanding resume as a student, teacher and administrator. She has displayed outstanding leadership abilities and she has proven to be dedicated and hard working at every level. She possesses a wonderful passion for education and a strong belief in public education. She is motivated to serve the students who are at the center of her profession and the community at large. She has had significant leadership responsibilities that have prepared her to succeed in the Fraser Superintendency.

Most of all, she possesses the personal qualities required to successfully lead a public school district. Carrie is intelligent and goal oriented.

She is a strong, confident presence and she is an excellent listener who will work hard to bring the community together. She is an outstanding communicator

who will command the respect of the board, the staff, students and the community.

I have known Carrie for over twenty-five years and recommend her for this position without reservation.

Sincerely

Lloyd H Carr
